

MISSION CRITICAL

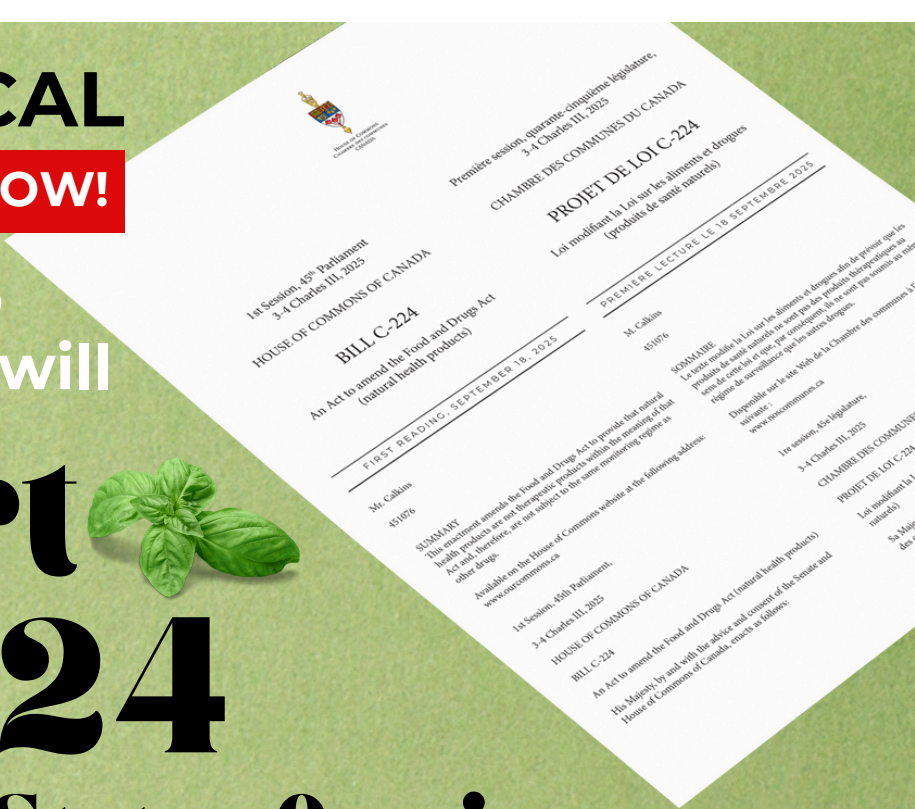

TIME SENSITIVE - ACT NOW!

We need your help
to ensure your MP will

Support Bill C-224

to Restore the Status Quo in Natural Health Product Regulation

Let's make sure Bill C-224, a Private Members Bill from
Blaine Calkins, gets passed during this session of Parliament.

What is Bill C-224?

This enactment amends the Food and Drugs Act to provide that
natural health products are not therapeutic products, therefore,
are not subject to the same monitoring regime as other drugs.

MPs and elected representatives must be a voice for the

30 MILLION CANADIANS (70%)

who depend on natural health products to maintain their well-being.
